Florida State University Libraries
2018 storage review project
Criteria used to identify titles for withdrawal

1. Books that are duplicated online in Hathi Trust, have retention commitments in the EAST consortium, and multiple holdings in Florida.

2. Science books that have been in the collection for at least 10 years, have never circulated in 10 years (14 years for Mathematics), have retention commitments in the EAST consortium, multiple holdings in Florida, and at least 50 holdings in the U.S.
